

(For your information only):

ADDENDUM

to the contract d.d. ... between the FOM-institute SAF/Nikhef, lessor, and ..., lessee, concerning 'ruimte t.b.v. netwerkkaparaatuur', contract number ####, hereafter referred to as the contract;

The FOM-institute SAF/Nikhef, based in Amsterdam, Science Park 105, represented by A.J. van Rijn, hereafter referred to as Nikhef

And

..., based at ..., represented by ..., hereafter referred to as 'lessee'

Considering that

- A. according to the contract Lessee already rents a rack in the Nikhef housing room H140, Science Park 105,
- B. in the framework of the AMS-IX partner programme Lessee wishes to connect via equipment in this rack members of the Amsterdam Internet Exchange (AMS-IX) to the AMS-IX-switch, also located in room H140, whereby the active equipment of these members is located at a colocation facility of User at ...;
- C. According to the policy of the AMS-IX BV, before a port on the AMS-IX switch is activated, an agreement must exist between the housing location of the AMS-IX switch and the AMS-IX members as referred to under B;
- D. Parties have agreed that on behalf of the AMS-IX-members as referred to under B Lessee will close this agreement with the housing location Nikhef and wish to confirm this agreement by way of this addendum.

AGREE to the following

1. NIKHEF will connect the AMS-IX members as referred to under consideration B on the condition that Nikhef has been informed in advance in writing of the following data: company name of the AMS-IX member, address, name, contact person and port number on the AMS-IX switch, located in room H140.
2. For the AMS-IX members as listed in the attachment to this addendum NIKHEF is responsible for the connection between the patch panel of the AMS-IX switch and the equipment in the rack currently rented by Lessee in room H140 on location Science Park 105 or any rack that Lessee wishes to rent in H140 in the future

3. For the AMS-IX members as listed in the attachment to this addendum Lessee is responsible for the connection from the equipment located in the rack currently rented by Lessee in room H140 on location Science Park 105 or any rack that Lessee wishes to rent in H140 in the future to any location outside room H140. To carry out this responsibility only service personnel employed by Lessee or acting on behalf of Lessee has access to room H140 in full accordance with the 'entrance protocol housing location Nikhef (April 2003)'
4. The price as mentioned in article 4 of the contract will be raised with 90 EUR (ninety euro) per month excluding VAT for the first AMS-IX member that is connected in accordance with the articles in this addendum and 45 EUR (forty five euro) per month excluding VAT for every next connected AMS-IX member.
5. The attachment to the addendum lists the data of the AMS-IX members to which this addendum is applicable. Parties agree to update this attachment as often as needed but at least once every three months.
6. The articles of the contract remain in full force in so far as the articles in this addendum do not deviate from them.
7. Nikhef retains the right to dissolve the arrangements made in this addendum if changes in the connection policy of the AMS-IX Association and the AMS-IX BV make that necessary.
