

Nikhef PhD Council Minutes

16th December 2021

Present:

Alexandra, Serena, Igor, Alessio, Bouke, Dylan, Aleksandra, Lennart

1. BND school

- Probably cancelled? Not official
- Add alessandra grendi to email thread
- Need some clarity
- Can say we heard rumours, ask them to inform promovendi ASAP
- Covid security?
- Will people still be required to do 2?
- Said that you can switch to other schools
- What will be the implications
- Email again tomorrow

2. OWC meeting

- Send to promovendi next week

3. Covid concerns

- Can Nikhef go outside of the dutch government rules to ensure staff are safe
- Otherwise People will stop coming in
- Works council contact
- Some people want to be in the office and they have been allowed, this is fine as long as people are careful and more covid secure

4. Supervision

- Links to folder with documents
[Ph.D. council internal link](#)
- Assigning tasks
- Few people per topic, they look through to decide what is key from that section
- Should decide how we want to do analysis as well
- Will be software out there
- Can present with different topics but split people by survey topics
- Serena split to topics in order
- See doc for split

- On track with timeline from prev minutes
- Need to start scheduling OWC meeting, need someone to email Joan
- Deadline: start of 2nd week (meeting will be arranged)

6. Jamboree and topical lectures

- Planned for may
- Will present results next topical lectures as may is long way away
- End march flavour physics, june machine learning

7. FNWI council

- UvA member needed, serena is too busy
- Meet every 1-2 months
- Is it necessary? Could be valuable
- Representation
- Dylan will go, if needed others can stand in

8. Exit interviews

- No comments from OWC, who should we talk to about it
- They didn't pick up much about it
- Can push this more when we present results

9. Git repo

- Will be uploaded to working doc for presentation
- Thank you Bouke!!
