Minutes meeting 28/3/22

Present: Emily, Alessio, Dylan, Alex

Agenda:

Topical lectures
PhD lunch on Thurs 31st 12-1:30pm
Loose structure: 15 mins food/talk, half an hour of talking, 15 mins after to talk to council
For those who can't come in person, would be nice to show their faces on zoom
Intro to council and a couple slides on what it is how it works etc
Eg of what we've done recently
Supervision survey   key results students care about   where its going in the future
Highlight action points
Everyone look through your own topics and highlight a point or two from each
Alex making the intro, Dyland helping with the survey stuff
Powerpoint in google drive
Need time for open discussions
Slide of things they could ask us for prompts
10-15 mins of questions
Make sure we interact with individual people one-on-one
Keep notes on discussion points
Feed that back to Juan (people's feedback on our stuff)
Need someone to offer to present

Mention at PhD lunch that we are working with OWC going forward and C3 system is changing
Presenting results at jamboree

Juan meeting
Challenge him on how it's not our job to make these changes (staff not willing to change but that doesn't mean we shouldn't try putting more pressure on them)
Otherwise he seemed proactive

Get a format for the new C3 meeting laid out in meeting with him
Hear his feedback from talking to OWC   want this fast
Meeting with the OWC council   who can come?
Make the jamboree presentation a quiz ish and put groups together and give them situations to handle

Website
Anonymous feedback form   does anybody check that?
Update some info/the form?
Will discuss more at next meeting
Could make a google account for the whole council ?
Make sure everyone has access to the Trello   Dylan will check his access
Add Gijs to Trello

To do

Alex starting powerpoint

Dylan add supervision stuff

Computing stuff at the topical lectures

Can talk about a localised list of conferences for students at next meeting/put on website

Juan's email about OWC meeting   is it in person? Who can go?
