# Valedictory lecture

Invitation  
valedictory lecture  
10 March 2017

On behalf of the Faculty of Science at the University of Amsterdam (UvA), I cordially invite you to attend the valedictory lecture of Prof. Jos Engelen, professor of Experimental High Energy Physics at the UvA and former distinguished research professor at the Faculty of Science.

The public lecture will be delivered in the Aula of the University of Amsterdam on Friday, 10 March 2017. You are also invited to attend the mini-symposium in honour of Professor Engelen, prior to the valedictory lecture. His valedictory lecture will begin at 16:15. After the lecture, a reception will be held in the Maagdenhuis, next to the Aula complex. We look forward to your attendance.

*Prof. Peter van Tienderen*  
Dean of the Faculty of Science

*All fellow professors are invited to join in the academic procession. Please be prompt and bring your own gown.*

## Programme

13:45 Doors open
