

## Curriculum Vitae JOS ENGELEN

Study at Nijmegen University (presently Radboud University) starting September 1967, Doctoral Exam (Physics) February 1973.

Research Appointment (20% for teaching) at Nijmegen University; Ph.D. (experimental high energy physics) February 1979 (Nijmegen University).

March 1979 –February 1985: CERN (the European Laboratory for Particle Physics - Geneva, Switzerland), Fellow and Staff Member.

March 1985 – present: Staff Physicist at NIKHEF, since 1987 Full Professor of Physics at the University of Amsterdam.

1 July 2001 – 31 December 2003: Director of NIKHEF, National Institute for High Energy and Nuclear Physics (Amsterdam, The Netherlands).

1 January 2004 – 31 December 2008: Chief Scientific Officer (Scientific Director) and Deputy Director-General of CERN, the European Laboratory for Particle Physics. CERN is a European Intergovernmental Research Organization (20 European Members States plus 'Observer States' a.o. India, Israel, Japan, Russia, USA). During this period 'Corresponding member of the Royal Netherlands Academy of Arts and Sciences'. (On leave of absence from University of Amsterdam).

1 January 2009 – 1 October 2016: President of the Governing Board of the Netherlands Organization for Scientific Research (NWO).

Now: Professor emeritus, Faculty of Science, University of Amsterdam and NIKHEF

(Former) member of various national and international scientific committees and councils.

Editor-in-Chief, Europhysics Journal C

(Co-)author of 200 scientific publications. Scientific projects so far: X42 ( $Kp$  interactions); NA14 ( $\gamma p$  hard interactions); ZEUS ( $e^+p$  deep inelastic scattering); ANTARES (detection of cosmic neutrinos). Member of CERN's Super Proton Synchrotron Committee (1991-1995) and member of CERN's Large Hadron Collider Committee (1995-2001), from 1997-2001 chairman of this committee and as such an *ex officio* member of CERN's Research Board and of CERN Council's Scientific Policy Committee.

### Some personal details

Born July 6, 1950 (Maasniel, NL)

Married to Marlein Hendrickx

We have three sons: Marc (1977), Roel (1980), Benne (1983)
