

Oral presentation rubrik - PHY3004

My name: _____

Name(s) of presenter(s): _____

Criteria	1	2	3	4	Your score
Audience / attention	Did not attempt to engage audience. Bad posture / static. Only looks at screen. Slides do not help understanding.	Little attempt to connect to audience. Moves very little. Looks at screen mostly. Slides are somewhat decent.	Engaged audience, held attention most of the time by remaining on topic, presented with enthusiasm and gestures. Slides look encouraging.	Engaged audience and held attention throughout, with enthusiasm , and exciting questions . Does not stand still, use of gestures , good body language. Slides are clear and helpful.	1 2 3 4
Clarity / Logic flow	No apparent logical order of presentation. Main focus unclear.	Content is loosely connected, transitions lack clarity. No clear goal.	Sequence of information is well-organized for the most part. Transitions make sense.	Development of message is clear throughout, transitions are clear, and there is a red thread throughout .	1 2 3 4
Content quality	Topic and presented material seems randomly chosen. Does not connect with the course.	Main topic is understandable, but supporting information is disconnected. Connects somewhat remotely to the course.	Information relates to a clear thesis, many relevant points, but sometimes the relevance is less clear. Connection to the course is clear.	Useful information is presented, that clearly relates to a main thesis. Builds directly upon the content of the course.	1 2 3 4
Difficulty / detail	The level was way too easy/hard. Content is very superficial / too detailed. No examples.	The level was very hard / easy, but I could learn one or two things. Needs more examples.	The level is close to that of the course. I learned quite something. Enough detail is provided. Examples are good.	The level matches perfectly with that of the course. Clearly aimed at educating the audience. Level of detail and examples are just enough to support the main message.	1 2 3 4
Speaking skills	Monotone, speaker seems uninterested. Reading directly off slides. Cannot be heard.	Little eye contact, fast speaking rate, little expression, mumbling	Clear articulation of ideas, enthusiastic, good volume, but seems to lack confidence with material.	Confidence with material displayed, eye contact , clear articulation . Use of varying words and sentences, and proper volume .	1 2 3 4
Preparation/ Questions	Uninterested / seems to be very uninformed.	Can answer questions, but is very brief. Seems unprepared.	Answers questions, seems reasonably prepared, but is somewhat insecure.	Speaker clearly rises above the topic, demonstrates in-depth knowledge of material. Well- prepared . Actively engages in discussion .	1 2 3 4
